Pink Parlour

For the ultimate in girlish fun and urban pampering, head straight to the Pink Parlour. Spread over four floors just off Mohammed Sultan Road, this is the perfect venue for you and your friends to get preened and pampered before a big night out. A favourite for hen parties, there's a sky lounge where groups can nibble on finger food, enjoy a few drinks and hang out. And then there's the delicious spa offerings – yummy Karin Herzog facials (including the Chocolate Skin Revitaliser using Swiss chocolate), soothing body treats, a comfy manicure and pedicure area and a beauty parlour where you can have a quick makeover before you hit the town. Add to the mix a fun atmosphere where chocolates are frequently dished out, lunch can be ordered from a local deli and you can even buy some new lingerie from their own line. Loyal customers are invited to join the Pink Parlour club, where they receive discounts and invitations to exclusive events.
63 Kim Yam Road. Tel: 6836 9796.
