HARMBEAUTY 12/10

What's NEW

Beauty Budget

Cyria MD has discovered a new way to beautify your skin without treading the line. Instead of relying on Spectra laser with LED phototherapy, they have found that LED phototherapy can be used alone to effectively rejuvenate and treat your skin. CyriaMD Women's & Reproductive Clinic, 404/414 Canton Mills of Costa, 1 Orchard Boulevard. Call 6733 0100. www.gynmed.com.sg

Laser for less!

You can get through the door for individual skin treatments, but PNC Skin Treatment together has different therapies: IPL, Laser skin rejuvenation, laser for spider veins, and Laserhair Laser for nose and earwax. \$200 per session or \$1,700 for six sessions. These prices apply from August. www.pnc.com.sg

LESS IS MORE

LiftBacker is the latest non-invasive laser lift. It combines radiofrequency and ultrasound with an integrated suction system that is proven to reduce cellulite. It is proven to reduce cellulite in the abdomen area including tummy, buttocks, thighs, neck and arms, without bruising, swelling, downtime or downtime. Available at Dr Yulonia Low Aesthetic and Laser Clinic, 279 Orchard Road #04-01 Perigo Medical Suites. Call 6736 1113.

Instant tan

The Nordic Tan Instant Tan features organic tanning ingredients from Australia, which are both safe and quick and deliver a healthy instant glow within minutes. \$18 per 15-minute session. Available at Posh Fashion Institute. www.poshfashion.com.sg
