

## Sun-Kissed Glow

No one wants to look pale and pasty at the beach, but too much sun is no good either. One alternative is to opt for sun-free tanning with a full-body spray tan (\$51.35) at **Pink Parlour**. Sessions are quick and fuss-free, with no harmful UV rays, and will give you a healthy glow in just 15 minutes. The spray tan contains natural anti-oxidants and anti-ageing ingredients, and the experienced Pink Parlour team can ensure an even application so there are no unsightly streaks. Choose from Light Bronze, Medium Bronze and Dark Caribbean Bronze. **Pink Parlour** is at #03-19 Orchard Central. [pinkparlour.com.sg](http://pinkparlour.com.sg)
