PINK PARLOUR

Pink Parlour's efforts in establishing itself with the media have paid off in a big way; it has received accolades from Her World magazine and online portal Urban Wire and is also a regular recipient of various waxing awards conducted by Singapore Women's Weekly and Singapore Tatler. The ladies' Brazilian wax is priced at \$52 per session before GST. All first-time clients will receive a '\$10 off any treatment' voucher to be redeemed at the next visit. Pink Parlour has six outlets all over Singapore. You can also book your session online.
